OWNER(S) NAME: _____

MAILING ADDRESS: _____

CITY: _____ STATE: _____ ZIP CODE: _____

TELEPHONE #: _____

EMAIL ADDRESS: _____

This is a request to be included in the City's Lot Mowing Program. By checking the box below, I understand the property must be level, clean of debris, freshly mowed and inspected by a Lot Mowing Inspector before being accepted into the program.

- ☐ The property was recently sold, and I am the new owner. The previous owner had excluded the property from the program and maintained it themselves. I would like the City to maintain the vacant lots.
- ☐ I had received a City of Cape Coral Code Violation. I have since complied with all of the items contained in the violation and code compliance has since approved the corrections.
- ☐ The above referenced property has recently had a structure demolition. As a result, the property is now vacant and will need to be maintained.
- ☐ I recently combined my vacant lot with my improved parcel. I would like the City to maintain the vacant lots.
- ☐ I am unable to maintain the property.
