

In case you missed it, the following are highlights from the September 3, 2025, Cape Coral City Council meeting.

Council Approves Installation of Electronic Message Board at Lake Kennedy Park

Council approved Resolution 255-25, approving the purchase and installation of an electronic message board at Lake Kennedy Park. This digital sign will advertise upcoming City events and programs and communicate emergency messages to the community.

Council Approves Median Landscaping for New Signals at Intersections

Council approved Resolution 262-25, approving median landscaping and irrigation design services for four signalization projects at the following locations: Averill Boulevard & Del Prado Boulevard, Chiquita Boulevard & Embers Parkway, Tropicana Parkway & Santa Barbara Boulevard, and Andalusia Boulevard & Diplomat Parkway. Funding was set aside for the landscape design of the newly curbed medians along Kismet Parkway East between Andalusia and Del Prado Boulevard North.

Council Approves Agreement with FDOT to Fund Roadway Safety Improvements on Andalusia Boulevard

Council approved Resolution 263-25, approving an agreement with the Florida Department of Transportation (FDOT) for roadway and safety improvements along Pine Island Road, west of Santa Barbara Boulevard and east of Del Prado Boulevard, and at its intersection with Andalusia Boulevard. FDOT will fund the design of the Andalusia Boulevard improvements, while the City will cover construction and inspection costs, with the project expected to go out to bid in January 2026.

Council Approves Changes to Citywide Parking Regulations

Council approved Ordinance 44-25, consolidating all existing parking regulations into one article in the Code of Ordinances and establishing a citywide prohibition on parking commercial vehicles and trailers in the public rights-of-way. The ordinance aims to protect public safety and preserve city aesthetics by reducing traffic obstructions, visibility hazards, and visual clutter.
